

REMARKS

The undersigned believes that the Examiner's amendment as indicated in the Notice of Allowance was intended to insert the word "computer" before the word "system" in line 1 instead of after "system." This proposed Rule 312 Amendment amends the claim accordingly and is submitted with a simultaneously submitted issue fee payment.

Applicants respectfully request the Examiner to consider and enter the amendment prior to issuance of the patent.

The Examiner is encouraged to contact the undersigned with any questions.

No fees are believed to be due. The Commissioner is, nevertheless, hereby authorized to charge any fees due or credit any overpayment to Deposit Account No. 10-0096 of Jackson Walker L.L.P.

Respectfully submitted,
JACKSON WALKER L.L.P.
